WHY INNOVATE WITH GUMMIES?

Gummies are **easy to take, pleasant-tasting**, suitable for children or seniors and available in a wide variety of nutrients and **can be sugar-free**.

WHATEVER YOU NEED FOR YOUR FUTURE LAUNCHES.

we can support you from conception (formulation, regulatory...) to manufacturing and shipping your products!

INGREDIENTS

Always on the lookout for new partnerships and sources of supply, we strive to constantly **improve the quality of our products**. We are also able to work with your own suppliers.

- Vitamins
- > Minerals: Iron, Zinc, Magnesium...
- **> Plants**
- > Other substances and ingredients : CBD, Melatonin, Acerola, Propolis ...

SHAPES

Gummies can be produced in a variety of specific shapes using a system of molds (Teflon, silicone, polycarbonate, plastic...).

- Dome
- **>** Fruits
-) Bear
- Square > Heart

You are free to determine a specific shape. We will present you with **the best winning solution for creating a custom mold** that meets your identification and market differentiation needs.

COLORS

We use natural colorants to create brightly colored, attractive formulas to seduce and care for your consumers.

FLAVORS

We favour natural flavours:

- > Fruity flavors: strawberry, blueberry, raspberry, blackcurrant, peach, lemon, orange, cherry, banana, apricot, lychee, ginger, mango, pineapple...
- Beverage flavors: cola, coffee, peach tea...
- > Floral flavors: hibiscus, mint, eucalyptus...
- > Spicy flavors: cinnamon, cardamom...
- > Gourmet flavors: chocolate, vanilla, praline, cookie, caramel, cookie cream...

Because we know that pleasure is one of the criteria for purchasing your products, we can meet **your specific organoleptic requirements**.
